In an effort to obtain updated membership information and better identify visitors and potential new members, the Chapter has created attendance binders. Please add your information to the attendance binder each Sunday and then pass the binder to others in your pew. When the binder is passed back to you, take note of any visitors and welcome them!

Chapter Member of the Week:

Introducing Mark Harvey

I am a cradle Episcopalian, having grown up in St. James Church in Manitowoc, Wisconsin, where my father was the rector from 1957 to 1984. After earning my graduate degree in history from the University of Wyoming in 1986, I moved to Fargo - Moorhead and began my career teaching American history at NDSU. Gretchen and I welcomed sons William and James into our lives in 1994 and 1996 and we joined the cathedral during that time. Over the years we have all been involved with such programs as Vacation Bible School, Adult education and Bible study, the annual sledding party, St. Patrick's Day celebration, the Cathedral greening and other regular activities. I served on the worship committee, was a delegate to the Diocesan convention for two years, and was a member of the Cathedral chapter from 2005 to 2008. I especially enjoy lay reading and ushering, and in my spare time I like to read, run, and on occasion climb mountains in the West. I am excited to be a part of the chapter once again, and am a real believer in our church and its future. I have always thought that our parish is at its best when we work together in common purpose, and I strongly encourage members to talk to myself or other chapter members about matters of mutual concern or interest. In our recent parish retreat that followed our parish wide survey, chapter members agreed that open communication within our congregation is an essential key to our health and well being and ability to build for the future. Please help us do that!
